## hop on stroller platform - fitting guide

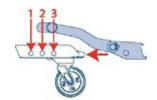

Before you purchase the hop on stroller platform please check the compatibility guide (link on the product detail page) to find out if it is compatible with your pushchair or stroller.

Below are general fitting instructions, however please ensure you use these in conjunction with the specific fitting guide for your pushchair in the table below.

Arm fixing point:

Refer to fitting guide for your pushchair, to see correct arm fixing point (positions 1, 2 or 3).

Slide the arms on either side of the board, align the appropriate holes as indicated and secure with the screw

Pushchair component fitted to:

Refer to fitting guide for your pushchair, to see which component of the pushchair you should attach to

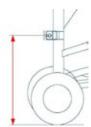

Undo the screw on the clamp and remove the wedge. Wrap the strap around the indicated component and refasten by pulling the strap tight then reassemble the wedge and tighten the screw.

Height of fixing point:

Refer to fitting guide for your pushchair, to see correct height of fixing in mm.

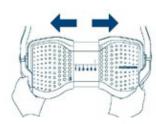

Check the position of the clamp by measuring from the floor to the center of the screw.

Board width:

Refer to fitting guide for your pushchair, to see correct board width (positions available; closed-6).

Undo the screw underneath the board and adjust the width as indicated. Retighten the screw underneath to fix in place.

Arm angle:

Refer to fitting guide for your pushchair, to see correct arm angle (positions available; 1-7).

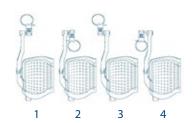

Loosen the screws on either side, slide the arms out and adjust the angle to the position indicated. Push the arms towards the board to locate them and retighten the screws.

Ball joint orientation:

Refer to fitting guide for your pushchair, to see correct ball joint orientation (positions 1, 2, 3 or 4).

Undo the screw holding the ball joint in place using a coin or flat blade screw driver. Remove the joint and reposition as indicated. Secure in place using the screw.

Please refer to the below table for correct fitting settings for your make and model of pushchair or stroller.
